

WHITEPAPER

MemeCoinTronAI (\$MCT)

**Driven by Creativity, Powered by Innovation,
United by Humanity.**

INTRODUCTION

MemeCoinTronAI (\$MCT) is the leading futuristic meme coin on the Tron blockchain. Built to harness the power of creativity, technology, and community, MemeCoinTronAI unites the spirit of fun with cutting-edge innovation. With a strong foundation powered entirely by its supporters, this memecoin thrives on a community-first ethos, creating a fair, transparent, and inclusive ecosystem for all.

Developed by Mike in collaboration with advanced AI, MemeCoinTronAI is not just a token—it's a movement that bridges human creativity with AI-driven possibilities, reshaping the way we see memes and blockchain technology. Join us as we meme our way into the future!

TOKENOMICS

Blockchain:	TRON (TRX)
Token Standard:	TRC20
Token Contract:	TKFDGWUPswfsCbHV3kySqEj2HXnct9EtF1
Decimal:	18

TOKEN DISTRIBUTION

Community-centric Structure:

Community Engagement - Actively involving users in decision-making processes and the development of the project.

Transparency - The dev holds only 2.73% of the total supply, which will be allocated for future marketing efforts.

Fairness - All 97,27% tokens of total supply is for community.

Strengthening Relationships - We would like to build strong bonds and a sense of belonging among users.

No Presale - Without any early-access privileges, \$MCT was launched straight to the public, ensuring equal opportunities for all holders.

Fair Launch - \$MCT launched on SunPump on 29th December 2024, without any private allocation or privileged.

The originator and initiator of the MemeCoinTronAI project, in collaboration with AI, is Mike—a visionary striving to make this project one of the largest cryptocurrency ventures in the coming years and to turn the story of \$MCT into reality.

On 29/12/2024, the MemeCoinTronAI whitepaper was released.

\$MCT is a meme token created solely for entertainment purposes, with no promises or guarantees of financial returns. Additionally, \$MCT is not affiliated with the official Tron DAO in any capacity.
